Dear Sir/Madam,

Subject: Complaint against Norway concerning refusal to export the work assessment allowance

On 2 September 2015, the EFTA Surveillance Authority received a complaint against Norway in the field of social security coordination.

According to the complainant, Norway has hindered his rights to free movement and infringed Regulation (EC) No 883/2004 by refusing to export to Sweden his work assessment allowance (AAP).

The Authority's Internal Market Affairs Directorate is presently considering the merits of the complaint. After a preliminary assessment has been undertaken, the Directorate may, where appropriate, ask the Norwegian Government to provide further information as well as its observations on the complaint.

Yours faithfully,

Gabrielle Somers
Deputy Director
Internal Market Affairs Directorate
