

# **19** **Company interests in fields and production licences**

The company's share in a field in production/discovery is followed in brackets by the production licence(s) which embrace that field/discovery. The company's interest in the separate production licence(s) is shown for discoveries where the area is not unitised. Operatorships are indicated with an \*. The sale of about 6.5 per cent of the SDFI's assets in March 2002 is reflected in the interests shown. Otherwise, interests are shown at 1 January 2002.
