

# Memorial services on 22. July 2012

---

In remembrance of the terror attacks in Oslo and Utøya Friday 22. July 2011, there will be official memorial services in two churches: in Oslo Cathedral and in Hole church, in Vik municipality, near Utøya.

In both services, members of the Royal family, members of the Government and AUF (the Youth movement of the Norwegian Labour Party) will participate.

Journalists are welcome to the church services. Please send a request for seat reservation [siv.thompson@kirken.no](mailto:siv.thompson@kirken.no)

There will only be room for only a few photographers in both churches; hence there will be pool-pictures available afterwards.

**Hole church** is quite small, but the service will be transferred to a big screen outside the church. Cars will not be allowed outside Hole church, but there will be continuous transport by prepaid taxis from Vik, the official center of Hole municipality and Helgelandsmoen, both places are to find along E 16. (You can either use Google maps, *Hole kommune administrasjon*, *Sollihøgda*, follow the Street view/Yellow man. Or you can use these coordinates to the church: GPS/POI: 60.0978,10.2164 or GPS/UTM: 234125E, 6671928N)

**Oslo Cathedral** is in Karl Johans gate 11 in Oslo.

Both services start at **11:00 AM**.

Due to security measures, everyone has to be inside the church by **10:30 AM in Hole church** and **10:40 AM in Oslo Cathedral**.

Best wishes
